**Importante:** es imprescindible que el estudiante asista a clases virtuales para poder desarrollar los aprendizajes esperados, cumplir con el objetivo estipulados para la asignatura de música y lograr excelentes calificaciones en cada unidad.

Semana del 31 mayo

**Objetivo:** desarrollar las siguientes operaciones musicales e Identificar las figuras rítmicas con sus silencios.

**1-Actividad:** resuelve las siguientes sumas musicales.

2-Actividad: Escribe el nombre de cada figura y une con su silencio

A collection of musical notation symbols arranged in two rows. The top row contains four notes: a half note with a white oval, a quarter note with a white oval, a quarter note with a black oval, and an eighth note with a black oval. Below each note is a horizontal rectangular box with a small black dot underneath it. The bottom row contains four symbols: a quarter rest (a vertical line with a diagonal slash), a half rest (a thick horizontal bar), another half rest (a thick horizontal bar), and a quarter rest (a vertical line with a zigzag slash).

3-Actividad: Colorea de acuerdo a las notas

A line drawing of a cartoon animal, possibly a bear or a dog, with a large, shaggy mane. The animal has several musical notes placed on its body: a half note on its forehead, a quarter note on its nose, a quarter note on its left cheek, a quarter note on its right cheek, a quarter note on its left paw, a quarter note on its right paw, a quarter note on its belly, and a quarter note on its tail. The tail is long and ends in a flame-like shape. Below the animal are three labels: a quarter note followed by the word "pink", a quarter rest followed by the word "orange", and a quarter note followed by the word "brown".
